On account of an extra dividend there was on hand \$70.00. The cost of the die was \$35.00, the medal, which is of 14-karat gold, \$16.00, leaving a balance of \$19.00. The order for die and medal was given to the firm making the lowest bid, which was \$30. to \$35. for the die, and from \$15. to \$22. for the medal.
